TYPE OF THREAT: (a) Telephonic X
(b) Written
(c) In Person

SYNOPSIS:

On 6/27/85, at 12:00 p.m., an anonymous male caller telephonically contacted the office of Congressman LATTA, Room 2309, Rayburn House Office Building (RHOB), telephone number (202) 225-6605. [REDACTED] answered the phone and a muffled man's voice said something that was undistinguishable to her and she said "excuse me?". The man increased the volume in his voice and said "I am going to kill him tonight." After a second of silence, the anonymous caller hung up. The voice sounded far away and there was a lot of static on the line which made [REDACTED] believe it was probably a long distance call but she could not be certain. LATTA is scheduled to leave WDC tonight from National Airport on Piedmont Airlines and should arrive in Toledo at 10:38 p.m. where he will be picked up by [REDACTED] and will proceed to his home.

Questions

I answered the telephone, "Congressman Latta's Office" and a muffled man's voice said something that was undistinguishable to me and I said, "excuse me?". The man increased the volume of his voice and said something else of which I only understood that final part, "I am going to kill him tonight". After a second of silence, the telephone was hung up.

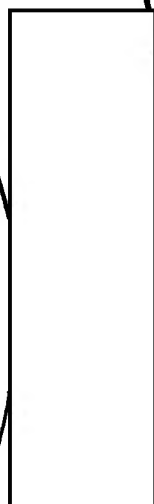

The voice sounded far away and there was a lot of static on the line which makes me believe that it was probably a long distance call, but I could not be certain.
